

March Artist of the Month Rob Cole

Welcome to the "World of Rob Cole Fine Art!" Rob has always been artistic, and since he picked up a paint brush in 2017, he has never looked back. His artwork is bright and colorful just like his personality and he has a desire to spread joy and light through all of his creations. He is an avid disc golfer, and has found a love creating all kinds of art both for the disc golf world and the fine art world. Come to the gallery and see his striking creations in person!
